Dear Friends,

The Town of North Hempstead is proud of the ethnic diversity throughout our Town and is fortunate to have organizations in North Hempstead and throughout Long Island that are dedicated to increasing, cultural diversity in our region.

I congratulate the Americans of Pakistani Heritage for their contributions to North Hempstead. Celebrating our various faiths, cultures and beliefs strengthens the character of our Town and our great Country.

I once again commend the Americans of Pakistani Heritage for their extraordinary work. Supporting organizations that recognize the importance of a diverse community is paramount in my administration.

**Best Wishes**
