

Message from the Vice Chairperson Board of Trustees.

My heartiest congratulation to all the Pakistani Americans. We are the community who has been contributing to both US & Pakistan in every segment of life. As a Pakistani American we are proud of our culture, heritage, values and traditions. As an American citizen we are proud of our Country, Specially democratic system, Human rights for every individual, Religious freedom, in fact it's a most civilized country in the world where you can find justice for all compassion of real Islam for all human being living in United States of America.

US government has a very close relationship with Pakistan and providing many assistance in various fields of life. We and all our children are taking the full advantage of education, health, peace and prosperity without any discrimination. Our families deserve the right to live freely in peace, to practice their faith without fear and to enjoy respect.

Today we are celebrating the 65th Independence Day of Pakistan in Eisenhower Park, Nassau County, New York where NOT only our Pakistani Americans, but among us all the Officials, neighbors and our associates are enjoying the Festival of Pakistani heritage, culture and traditions.

Let us unite under the banner of PACOLI and show our unity and voting power to the Officials.
